Thanks for the financial support which is a sign of a willingness to be part of the mission Christ gave us and a real boost to Missionaries who often need so much backing and support. ## COMMUNION REFLECTION

### *Being genuine*

A peacock's feathers are very colourful;  
they are worn more for show than for warmth.  
The Pharisees wore their virtue for show;  
they wanted to be seen and praised by others.  
They were more concerned with *appearing* good  
than with really *being* good.  
Today there is great emphasis on appearances.  
The image is more important than the reality.  
We may deceive others but we cannot deceive God.  
But then it would be foolish even to try.  
We don't have to put on an outward show,  
or pretend to be what we are not.  
All we have to do is try to be true  
to what we are – God's sons and daughters.  
Lord, help us to shun all falsity and pretence,  
and to live a life of genuine goodness.  
Then our deeds will flow from what we are,  
as naturally as good fruit from a good tree.
