Communion Reflection

Let Your Light Shine

Our deepest fear is not that we are inadequate,
but that we are powerful beyond measure.
It is our light, not our darkness, that most frightens us.

We ask ourselves, 'Who am I to be brilliant,
gorgeous, talented and fabulous?'
Actually, who are you not to be?

You are a child of God.

Your playing small doesn't serve the world.
There's nothing enlightened about shrinking
so that other people won't feel insecure around you.
We are born to make manifest the Glory of God
that is within us.

It's not just in some of us; it's in everyone.
And as we let our own light shine,
We unconsciously give other people
permission to do the same.

As we are liberated from our own fear,
our presence automatically liberated others.

*-From the inaugural speech of Nelson Mandela-
(Flor McCarthy, New Sunday & Holy Day Liturgies)*

Jesus said to
Simon, "Do not
be afraid; from
now on you
will be catching
people"

ProLife Facts: Voice for Life (VFL) is a voluntary organisation, pro-active in the education of people about human rights. It was founded in March 1970, when two NZ-based obstetrics and gynaecology specialists became alarmed at abortion developments in Britain. Providing professional medical proof about the humanity of the unborn, they inspired thousands of New Zealanders to join the pro-life movement. With 30 branches and 4,500 members across the country, VFL members work to educate and inform the public about the intrinsic value of human life from conception until natural death. In 2005, the organisation expanded to recognise the intrinsic connection with respect for women's health, the old or infirm, and those at the forefront of bioethical decision-making. Voice for Life is a strong voice against abortion, infanticide, experimentation on embryos, cloning and euthanasia. It shares information with the community, is proactive in the education about human rights, speaks out on women's health, and lobbies our decision-makers on important life issues including abortion and assisted suicide. **For more pro-life information, visit the Voice for Life website www.voiceforlife.org.nz.**
